Energy Distribution Partners Recognized as One of the Leading Companies in Risk Management

October 26, 2016 - Chicago, Illinois-based Energy Distribution Partners has received Energi's 2016 Excellence in Risk Management Award for being a leader in the implementation of Energi safety and risk management programs. Energi, a leading provider of Insurance and Risk Management Programs, recognized Energy Distribution Partners as being the **"Best of the Best"** within the Energy industry at the Risk Management Summit in Las Vegas, Nevada on October 5, 2016.

Energy Distribution Partners' focused commitment to safety, implementation of risk management best practices, and willingness to learn and apply new safety techniques has enabled the company to set a future standard of excellence amongst industry peers.

About Energy Distribution Partners

Energy Distribution Partners is a rapidly-growing company in America's fast-changing energy landscape – with deep experience in retail and commercial propane sales, operations and finance. The company provides safe, reliable propane service to residential and commercial customers in California, Minnesota, Wisconsin, Michigan, Ohio, Pennsylvania and New York. EDP is actively seeking partners for growth. For more information, please visit www.edplp.net.

About Energi

Energi Inc. is the parent company for Energi Insurance Services, Inc. (MGA, Wholesaler & Program Manager), eRisk Solutions (LP Safety, Accident Recon, Environmental Management Services, Fire & Explosion Experts), eClaims Management (Claims TPA), eMarketing Strategies (Marketing Services Company) and eTech Services (Technology Services Company for the Insurance Industry) . Through these companies, Energi offers specialized insurance programs along with support services meant to reduce client's long-term loss costs and enhance their productivity. Energi Inc. delivers these products to the market through a distribution strategy based on a regional network structure supported by a team of in-house sales professionals working in conjunction with 450+ independent brokers appointed in key markets.
