Energy Distribution Partners Acquires Pacific Propane *EDP Further Expands its Presence in California*

Energy Distribution Partners (“EDP”), based in Chicago, Illinois, has acquired Pacific Propane which serves propane customers in and around [Castroville, California](#).

[Pacific Propane](#) was founded in 1998 and was later purchased by Maskey and Paula Heath. After Maskey passed away in 2016, Paula continued to build the business through focusing on providing exceptional service to their customers. Pacific Propane primarily serves residential propane customers in Monterey, Santa Cruz and Santa Clara Counties.

Energy Distribution Partners CEO [Tom Knauff](#) said,
“We are extremely pleased to assume ownership of
Pacific Propane. We welcome their employees to EDP

and are committed to continuing to provide the high level of service Pacific Propane customers have come to expect. We are also pleased to continue expanding our footprint in California.”

About Energy Distribution Partners

Energy Distribution Partners is a rapidly-growing company in America's fast-changing energy landscape – with deep experience in retail and commercial propane sales, operations and finance. The company provides safe, reliable propane service to residential and commercial [customers in California, Washington, Minnesota, Wisconsin, Michigan, Ohio, Pennsylvania, New York and South Carolina](#). Energy Distribution Partners pursues a long-term strategy of purchasing successful operations in propane and other fuels and in the midstream energy sector, retaining the brand name, preserving local management and delegating to leaders in local communities. This is EDP’s 23rd transaction. The company is actively seeking partners for growth. For more information, please visit www.edplp.net.

Forward-Looking Statements

The information presented herein may contain certain “forward-looking statements” within the meaning of the federal securities laws. The Partnership’s actual future performance will be affected by a number of factors, risks and uncertainties, including, without limitation, weather conditions, regulatory changes, competitive factors, and the operations of vendors, suppliers and

customers, many of which are beyond the Partnership's control. Future events and results may vary substantially from what the Partnership currently foresees, and there can be no assurance that the Partnership's actual results will not differ materially from its expectations. The Partnership undertakes no obligation to publicly release any revision to these forward-looking statements to reflect events or circumstances after the date of such statements or to reflect the occurrence of anticipated or unanticipated events.
