Energy Distribution Partners Names Boyd H. McGathey EVP and COO

Chicago, Illinois-based Energy Distribution Partners (“[EDP](#)”) is pleased to announce that Boyd H. McGathey has joined the company as Executive Vice President and Chief Operating Officer.

McGathey brings nearly 30 years of experience in the propane industry, having served in a variety of senior level positions where he managed retail operations, sales, safety, service quality, customer retention and profitability, among other responsibilities. He most recently served as Chief Operating Officer for WESROC Monitoring Solutions, an Independent Technologies company that provides tank monitoring equipment for propane and refined products industries.

Prior to that, McGathey held executive positions with a number of multi-state marketers including Inergy Propane, Liberty Propane and Ferrellgas. McGathey is a Board Member of the International Young Gassers Association.

Boyd H. McGathey

[Tom Knauff](#), Energy Distribution Partners’ Chief Executive Officer commented, “I am delighted to have Boyd join EDP. He is a seasoned industry veteran whom I have known for many years, and I am confident he will make a significant contribution to our company as we continue to grow.”

About Energy Distribution Partners

Energy Distribution Partners is a rapidly-growing company in America's fast-changing energy landscape – with deep experience in retail and commercial propane sales, operations and finance. The company provides safe, reliable propane service to residential and commercial customers [in California, Washington, Minnesota, Wisconsin, Michigan, Ohio, West Virginia, Pennsylvania, South Carolina and New York](#). EDP is actively seeking partners for growth. For more information, please visit www.edlp.net.

Forward-Looking Statements

The information presented herein may contain certain “forward-looking statements” within the meaning of the federal securities laws. EDP’s actual future performance will be affected by a number of factors, risks and uncertainties, including, without limitation, weather conditions, regulatory changes, competitive factors, and the operations of vendors, suppliers and customers, many of which are beyond the Company’s control. Future events and results may vary substantially from what EDP currently foresees, and there can be no assurance that the Company’s actual results will not differ materially from its expectations. EDP undertakes no obligation to publicly release any revision to these forward-looking

statements to reflect events or circumstances after the date of such statements or to reflect the occurrence of anticipated or unanticipated events.
