## **Energy Distribution Partners Acquires Harbor Point Energy Products** *EDP Expands Further into New York State*

Energy Distribution Partners (“[EDP](#)”) has announced the acquisition of [Harbor Point Energy Products](#) headquartered in Frankfort, New York.

Harbor Point Energy, which was founded in 2007, provides a full range of energy products and services to nearly 6,000 customers across seven counties in East Central New York. Principal owner John DesJardins has a long history in the energy industry and will remain with the company to spearhead the transition. All Harbor Point employees will join EDP.

“We are delighted to welcome Harbor Point Energy Products and its team of experienced employees to EDP,” said [Thomas Knauff, EDP’s President and CEO](#). “Harbor Point Energy has built an excellent reputation for providing a complete range of energy products and services to thousands of customers for the past 15 years, and the company is very respected in the communities it serves.”

John DesJardins commented, “When assessing potential buyers, we liked EDP’s business model. And after speaking with others who had sold to EDP, we knew they were the right choice. We are confident they will continue to provide safe, reliable service to our customers while also taking good care of our employees.

[EDP is actively seeking to expand its national footprint](#) and diversify through the addition of new retail propane and light fuels operations.
