EDP Names Andy Fellman Region Vice President - Northwest

Chicago, Illinois-based Energy Distribution Partners (“[EDP](#)”) announced that Andy Fellman has been named Region Vice President for the company’s Northwest region.

Fellman brings nearly 30 years of propane industry experience to his current role with EDP. He most recently served as EDP’s Region Director of Operations within in the Northwest region where he worked closely with the general managers at multiple EDP operations.

Over the course of his propane industry career Fellman has served in a variety of positions of increasing responsibility, with an emphasis on operational and leadership roles. Throughout his years in the industry, he has demonstrated a commitment to operating safely and achieving his organization’s financial targets, receiving numerous awards and recognition for his efforts. He has an Administrative Justice degree from San Jose City College.

According to [Boyd McGathey](#), Chief Operating Office for EDP, “I am extremely pleased to have Andy step into this role as Region VP in the Northwest. Having worked in that region of the U.S. for his entire career, Andy brings a wealth of knowledge to his new role, allowing him to hit the ground running and make an immediate impact. I am confident he will do a terrific job.”
