## **EDP Expands into Southwestern Ohio**

[EDP](#) has purchased the propane assets of Lykins Energy Solutions, a division of World Fuel Services, Inc., located in Southwestern Ohio. EDP will operate the business as [Lykins Propane](#) from an office in Milford.

The Lykins Propane office is located about 30 miles northeast of Cincinnati. Three satellite storage facilities in Milford, Mt. Orab and Hamilton, Ohio provide residential, commercial, and agricultural propane service to more than 3,000 customers. All local Lykins Energy Solutions propane employees have joined the EDP family of companies.

Lykins Energy Solutions was founded in 1948 and earned a reputation as a reliable multi-fuel service provider.

“We are happy to announce that Lykins Energy Solutions chose EDP when it came time to transition the company’s propane assets,” said [Thomas Knauff, EDP’s President and CEO](#). Over the years Lykins employees earned a reputation for superior customer service and we are extremely pleased to welcome their propane team members to EDP.”

[EDP is actively seeking to expand its national footprint](#) and diversify through the addition of new retail propane and light fuels operations.

### **About EDP**

Chicago, Illinois-based EDP is a rapidly growing company in America’s fast changing energy landscape – with deep experience in retail and commercial propane sales, operations, and finance. The company provides safe, reliable propane service to residential and commercial customers in [21 states](#). EDP pursues a long-term strategy of purchasing/partnering with successful operations in propane and other fuels, retaining the brand name, preserving the employees in place, and providing excellent customer service while maintaining involvement in the local communities.

This is EDP’s 37<sup>th</sup> transaction. The company is actively seeking partners for growth. For more information, please visit [www.edplp.net](http://www.edplp.net).
